TUITION AND FEES POLICY

UNIVERSITY DECISION
Tuition and fees are collected by an institution of higher education from students attending the university as permitted by the Texas Education Code. However, the determination to increase the fees and charges are made by the University administration and The University of Texas System Board of Regents. Students are assessed tuition and fees based on the location and programs in which they are enrolled and the degrees being pursued. Students enrolled in programs and pursuing degrees that are a partnership arrangement with another university may be assessed the tuition and fees approved by the partnership.

PERTINENT INFORMATION
By statutory provision, the Board of Regents has the authority and power to prescribe, regulate and otherwise engage in and control tuition and registration fees as well as non-resident fee exemptions.

No student may attend class, laboratory, or clinic until the student is officially registered with tuition and fees (or an installment payment) paid. Registration is not complete until tuition and fees are paid by the last business day, before first class day.

When and if a student misses the official publicized tuition and fees payment deadline (known as Census Day as defined by the Texas Education Code), the student shall be removed from enrollment by the Office of the University Registrar as approved by the Deans’ Council on 10-20-2009.

UNIVERSITY PROCEDURE

- The student is sponsored by his/her employer who will make payments directly to the university, and the employer has furnished a letter to the Office of the Bursar accepting unconditional liability for all charges not paid by the student, regardless of whether or not the student completes the courses or achieves a minimum grade for the course.
- The student has a scholarship, grant, or loan covering 100 percent of all costs that will be paid directly to the university by a sponsor who has notified the Office of the Bursar in advance, in writing of the student’s eligibility and acceptance; or
- The student is eligible for a deferred payment of tuition through one of the university’s approved payment plans.

### REFUNDS

#### Fee Refund Schedule (Complete Withdrawal)

Both graduate and undergraduate students who withdraw from this institution during a fall or spring semester will receive a refund of a percentage of tuition and refundable fees based on the schedule below. Medical and dental students who withdraw in the fall of the academic year will receive a 100% refund of tuition and fees for the second half of the year (spring) and a refund for the first half of the year (fall) based upon the schedule below.

Students receiving Financial Aid through Title IV programs may have this refund returned to the federal government in accordance with the provisions in the Higher Education Act of 1965, as amended in 1998.

Notice of intention to withdraw must be made in writing to the Registrar. The institution terminates student services and privileges at the time of the student’s withdrawal.

Class days are defined as calendar days during which classes are normally held and not the days a particular course meets.

A student who concurrently adds and drops the same number of credit hours will neither be charged nor refunded for this add/drop.

### Refund for Courses Dropped

100% of tuition and fees will be refunded for courses dropped prior to the census day of the term provided the student remains enrolled in the institution for that term and has remaining eligibility for the funds after the reduced tuition/fee costs have been factored into the student’s Cost of Attendance by the Veteran Services and Financial Aid office for Title IV aid recipients. No refunds will be made for courses dropped following the census day of the term unless the student withdraws from the university. If the student withdraws from the university, the Fee Refund Schedule will be used to determine refund eligibility. Students receiving assistance through Title IV programs will have their tuition and fee allowances re-evaluated by the Veteran Services and Financial Aid office to determine the impact of the dropped course(s). Students who drop below half-time
before census day, after receiving their Title IV program funds, will have their tuition/fee refund returned to the federal/state programs.

The student must follow all university procedures to officially drop a course or withdraw from school.

A student must complete a Student Clearance Form to receive a refund.

The date of receipt of the form in the Office of the University Registrar will be used to determine eligibility for refund and/or final approval of classes dropped.

Once classes begin there will be no refunds for fitness fee, insurance fees, student I.D. cards, installment plan fees, parking or other fees specifically designated as non-refundable.

**TITLE IV REFUND**

This refund policy applies to any financial aid recipient who withdraws from school.

As an institution participating in programs under Title IV of the Higher Education Act (http://www.ed.gov/policy/highered/leg/hea98), UT Health San Antonio is required to return a portion of the Title IV financial aid a student received, back to the Title IV program from where the funds were originally disbursed, as a result of the student's withdrawal from school. The portion returned is referred to as the Title IV Refund (http://students.uthscsa.edu/financialaid/2013/03/financial-aid-withdrawals-refunds) and is calculated by determining the portion of unearned aid a student has received. The types of Title IV funds included in this calculation are student loans from the William D. Ford Direct Loan Program, Perkins loans, Pell grants, or Supplemental Educational Opportunity Grants (SEOG).

**RETURN OF FEDERAL FUNDS DUE TO WITHDRAWALS OR LEAVE OF ABSENCE**

Students withdrawing from UT Health San Antonio prior to completing 60% of the semester, and who have received Federal Title IV aid are required to return the unearned portion of funds received. Funds used to pay tuition and fees are returned by UT Health San Antonio to the appropriate federal fund as calculated by VSFA. This is NOT a refund of tuition and fees to the student. State law describes the amount of tuition and fees that a student is responsible for paying regardless of when they withdrew. Refer to the "Fee Refund Schedule" below for details on tuition and fee refunds for drops and withdrawals. Student who are granted a leave of absence over 180 days are considered withdrawn as it relates to financial aid. Funds returned due to a Title IV Refund Calculation will be returned in the order specified by the Department of Education, following the priority shown below:

1. Unsubsidized Federal Direct Loan
2. Subsidized Federal Direct Loan
3. Federal PLUS Loan
4. Federal Pell
5. Federal SEOG

Satisfactory Academic Progress Standards require a student to progress in their degree program in order to receive Title IV assistance. Withdrawals, or a leave of absence from school, may be considered a violation of this standard. Any student not meeting the standards who subsequently returns to school may need to file an appeal with the VSFA office to explain, in writing, the circumstances of the withdrawal before eligibility for federal or state aid can be reinstated. Please see the VSFA web site for full details here (http://students.uthscsa.edu/financialaid/2013/05/are-you-meeting-sap-requirements).

**INSTALLMENT PAYMENTS**

Payment of tuition and fees in installments may be an option for students. A fee of $15 is assessed for handling installment payments of tuition and fees, and a $10 late fee is assessed for each late payment.

Penalties for failing to make installments on time include:
1. Being barred from class until payment is made;
2. Withholding of credit if payment is not made by the end of the semester, with the university adjusting its records to reflect the student’s failure to have properly enrolled.
3. Bar against readmission and withholding of grades, degree, and official transcript, and/or
4. Other remedies authorized by law.

**Professional Schools**

Authorized by Section 54.012 of the Texas Education Code, a student who has earned 100 or more semester hours of credit at the doctoral level (130 semester credit hours for biomedical sciences) is subject to the nonresident tuition rate, even if the student is a Texas resident or holds an appointment that would normally entitle the holder to pay resident tuition. In addition, a higher tuition rate may be charged if a student enrolls again in a course that is the same or substantively identical to a course that the student previously completed.

A non-resident student who believes he/she is qualified for one of the tuition waivers must provide documentation to the Veteran Services and Financial Aid office no later than the census date for the term in order for the application of the waiver to be considered for that term. Full details of all applicable Texas waivers can be found at www.collegeforalltexans.com (http://www.collegeforalltexans.com) under “Types of Financial Aid.”

**EXEMPTION FROM TUITION AND FEES**

The Texas Higher Education Coordinating Board prescribes certain cases in which students can be exempt from tuition and/or certain fees. It is the student’s responsibility to initiate the action of applying for an exemption and providing satisfactory evidence that all conditions required for the exemption have been met. Until such time as the exemption is granted, a student will be required to pay all tuition and fees from his or her own funds. Students may be required to meet UT Health San Antonio’s Satisfactory Academic Progress Standards in order to receive an exemption/waiver. Please review the web site for the Texas Higher Education Coordinating Board (http://www.collegeforalltexans.com/apps/financialaid/tofa.cfm?Kind=W) for a complete list of exemptions/waivers and their requirements however, please be advised that not all exemptions/waivers are available at UTHSCSA.
