

CHANGE OF PERSONAL INFORMATION

Students may change their personal biographical information by visiting the Office of the University Registrar (<http://students.uthscsa.edu/registrar>), or by logging in to My UT Health and accessing Student Administration. Changes made in person are processed within 48 business hours, while changes made by students online are instantaneous. Students should note that name changes *may* be made in person at the Office of the University Registrar so that staff may verify supporting documentation for the name change; or by submitting the Change of Information form with supporting documentation to registrars@uthscsa.edu.

Name changes may be requested in person at the Office of the University Registrar (<http://students.uthscsa.edu/registrar>), and copies of supporting documentation for the legal name change must be provided as well. For more information on the process, contact the office at registrars@uthscsa.edu, or access the website (<http://students.uthscsa.edu/registrar>).
