

# EXPRESSIVE ACTIVITIES POLICY

---

In furtherance of The University of Texas at San Antonio's mission of making lives better through excellence in education, research, health care and community engagement, the purpose of this policy is to protect and promote "Expressive Activities" taking place in The University of Texas at San Antonio's outdoor public forums, as defined in Section IV of this Policy. Any expressive activities engaged in by individuals under this Policy are the views of those individuals and do not necessarily represent the views of The University of Texas at San Antonio. This policy applies to all UT Health San Antonio's administrators, faculty, staff, students, residents, fellows, post-doctoral research fellows, other trainees, visiting scholars, student organizations and/or The University of Texas at San Antonio organizations, and invited guests, hereinafter collectively referred to as "The University of Texas at San Antonio's Community," and members of the public who desire to conduct Expressive Activities on any property owned by The University of Texas at San Antonio. This policy shall not apply to commercial speech.

The University of Texas at San Antonio will protect and promote the rights of all persons to engage in expressive activities as guaranteed and defined by the United States Constitution and the constitution and laws of the State of Texas. Every person shall be at liberty to speak, write or publish their opinions on any subject, being responsible for the abuse of that privilege, as well as following all applicable state laws as well as The University of Texas at San Antonio's rules. All the general and criminal laws of the state are declared to be in full force and effect within the areas under the control and jurisdiction of the state institutions of higher education of this state.

Please see Section 9.1.9 "Expressive Activities" (<https://public.powerdms.com/UTHSA/documents/1590795/>) of the *Institutional Handbook of Operating Policies* for a more detailed explanation of the policy.
