INFORMATION MANAGEMENT SERVICES (IMS)

Students can access their personal and academic information through My UT Health.

This secured site provides a variety of information for students including enrollment, financial aid, student account, features to update addresses and telephone numbers, check final grades, and options to restrict the release of personal information. For more information on the latter, see the FERPA Policy (http://catalog.uthscsa.edu/generalinformation/institutionalpolicies/privacyrights/familyeducationalrightsandprivacyactsferpapolicy) in this Catalog.

Each school has their own unique website for students to access syllabi and other course information, often utilizing the Learning Management System.
