

ACADEMIC CALENDARS

The University of Texas at San Antonio maintains multiple academic calendars to accommodate the professional and clinical needs of programs within the six schools. These are created as a result of collaboration between the academic programs, deans' offices, and the Office of the University Registrar. Current, past, and future tentative academic calendars are published on the Office of the University Registrar website (<http://students.uthscsa.edu/registrar/2013/04/academic-calendar/>).
